WRI eCouncil agenda 2018, 5th-13th May

WRI's 2018 Council Meeting will take place on an online platform called Loomio, from the 5th to 13th May 2018. Below is the agenda, outlining when various discussions will take place. We will send Council members an invitation for joining the Loomio group. If you have not received one, or can't see it, please get in touch!

Alongside the discussions on Loomio, there will be a number of meetings taking place "live", on Skype or a similar platform. These will be spaces to discuss various aspects of the programme work, and WRI fundraising, in a little more detail.

If you have any questions about the eCouncil, please email Andrew at **andrew@wri-irg.org**.
